

Michael Ovbey III

AWS-Certified Technical Professional • Cloud, Customer Solutions & SaaS Sales

770-547-9639 michaelovbey@gmail.com michaelovbey.com linkedin.com/in/michael-ovbey-iii github.com/Movbey Alpharetta, GA

SUMMARY

AWS-certified technical professional combining hands-on cloud and Linux experience with customer-facing, sales, and growth experience. Built serverless AWS projects using Terraform, Python, and CI/CD, developed outbound sales and lead-generation campaigns, and spent years working directly with customers in fast-paced environments. Seeking roles where technology and people overlap — cloud support, implementation, solutions engineering, technical customer success, and SaaS sales.

EXPERIENCE

Connor's Steak & Seafood — Alpharetta, GA Server

12/2025 – Present

- Deliver consistent, high-quality service in a fast-paced fine-dining environment, strengthening communication, prioritization, and problem-solving skills essential for customer-focused technical roles.
- Learn menu details and service standards quickly, demonstrating the ability to absorb information and explain it clearly to customers and teammates.
- Manage multiple priorities at once while maintaining accuracy, timing, and responsiveness during high-volume shifts.
- Coordinate closely with kitchen staff, hosts, and servers to resolve issues efficiently under pressure.

Walmart — Woodstock, GA In Home Delivery Associate

03/2024 – 08/2025

- Managed a high volume of daily deliveries independently, demonstrating reliability, time management, and strong execution in a deadline-driven environment.
- Resolved customer issues on-site with professionalism and urgency, reinforcing a service mindset relevant to support and client-facing cloud roles.
- Adapted quickly to changing operational demands while maintaining service quality.
- Earned promotion to In-Home Delivery Driver within 8 months based on strong performance and customer satisfaction.

OGP Associate

07/2023 – 03/2024

- Supported daily order fulfillment and customer service, earning consistent recognition for accuracy and reliability.
- Collaborated with team members to improve order-processing efficiency and reduce delays.

QuikTrip — Acworth, GA Assistant Manager

06/2022 – 06/2023

- Oversaw overnight operations including inventory, cash handling, and food preparation, building process discipline and attention to detail.
- Coached team members during night shifts, improving execution and reinforcing collaborative problem-solving.
- Resolved customer concerns calmly and effectively, helping maintain loyalty and a positive store experience.
- Improved oversight practices to reduce theft and shrinkage, supporting smoother operations.

Chick-fil-A — Milton, GA Team Member

06/2017 – 09/2019

- Greeted customers warmly, creating a welcoming environment while ensuring orders were taken efficiently.
- Collaborated with drive-thru and front-of-house teams to keep wait times short and orders accurate during peak periods.
- Maintained cleanliness of the dining room and kitchen, ensuring health and safety standards.

PROJECTS

Serverless Resume Website on AWS

- Full-stack serverless site on S3, CloudFront, Route 53, ACM, API Gateway, Lambda, and DynamoDB.
- All infrastructure defined in Terraform; deployed via GitHub Actions CI/CD with OIDC.

AWS Cost Optimizer (FinOps)

- Scheduled serverless tool analyzing AWS spend, detecting idle resources, and emailing daily reports.
- Built with AWS CDK (TypeScript), Lambda, EventBridge, Cost Explorer, DynamoDB, and SNS.

SKILLS

CLOUD & TECHNICAL

AWS EC2 S3 CloudFront Route 53
